## COURTESY TRANSPORTATION

We are making every effort to make your visit to the “Bayou City” one that you will always remember. One of the things we are doing [IN SPITE OF THE PRICE OF GASOLINE!] is preparing a cadre of “COURTESY CARS/VANS” for your convenience. Not only from the airport to the hotel, but for other things you may need to do while in our city.

Therefore, since this is a COURTESY to you we want to remind regular attendees, and maybe people who are new to the convention - to show appreciation to the courtesy car drivers, that will be evident by your “GENEROUS GIFT OF APPRECIATION”, that will buy more than one gallon of gasoline.

If you want to take advantage of our “COURTESY TRANSPORTATION” please complete the TRANSPORTATION FORM as expeditiously as possible, and return the most convenient way for you. However you have a choice as you can see from the list of other ground transportation available. We want to serve you and look forward to your Houston arrival!
